

NON-RESIDENTIAL LIGHTING - CUSTOMER CHECKLIST

The applicant **must** provide all documentation listed below **before** starting the project to qualify for this rebate.

- Complete the Existing Lighting Application.
- Complete the provided BPA Lighting Calculator. Your lighting supplier can assist you with this step.
 - Fill out the Baseline Eligibility Checklist.
 - Select the *Project Input* button to open the calculator.
 - Select the *Customer* tab and enter the customer information.
 - Select the *Spaces* tab and enter the primary building schedule, conditioning types, and information about specific spaces.
 - Select the *Measures* tab and enter the details of each measure.
 - Save and close the document.
- Provide the following documentation:
 - Lighting Cutsheets
 - Customer invoice of materials
- Submit the application and required documentation for approval to:

Email	Phone	Mail
EnergyServices@gcpud.org	509-766-2512	Grant PUD Energy Services Department 312 West 3 rd Ave Moses Lake, WA 98837

For more information, please see www.grantpud.org/rebates.
 For questions regarding Grant PUD’s Residential Rebate Programs, please email us at EnergyServices@gcpud.org or call 509/766-2512.

NEXT STEPS:

- Grant PUD will review your documents and determine if an onsite review is necessary, verify suggested upgrades qualify for a rebate, and will notify you that work may begin.
- Once notified from Energy Services start work on your project.
- Request post-installation inspection of installed measures after the project is completed.
- Submit a copy of the final customer invoice for the project.
- Receive your Non-Residential Lighting rebate.
