

2024 Residential Rebate Programs

Qualifications:

- Homes must be in Grant PUD service territory and be electrically heated. Garages, shops, and outbuildings are excluded from these measures.
- Insulation rebates are only available for stick-built homes
 - The Certificate of Attic Insulation must be left in the attic if the insulation is blown in
 - A copy of the Certificate of Attic Insulation must be provided to Grant PUD if the insulation is blown in
- Existing vinyl windows do not qualify for window rebates
 - Even if they are broken or have lost their seal
- Must use an approved contractor from the Grant PUD Approved Contractor List
- Participation form must be signed by the contractor and homeowner
- Grant PUD will inspect select homes
- All work must meet current BPA Weatherization Specifications
- PTCS Heat Pump Rebates are for Site Built and Manufactured Homes
 - Must meet an HSPF of 9.0 and a SEER of 14
