GROW WITH GRANT PUD

GROW WITH GRANT PUD'S FINANCIAL INCENTIVE OPTIONS:

- Upgrade to more energy-efficient lighting.
- Have your irrigation system evaluated and tested by an efficiency expert who will help you identify upgrades eligible for rebates.
- Install energy-efficient hardware for center pivot and wheel line irrigation systems.
- Install Variable Frequency Drives (VFD) in existing potato and onion storage facilities.
- Install Variable Frequency Drives (VFD) pumps in qualified irrigation systems.

Contact Energy Services at (509) 766-2512 to see if you qualify for a rebate program.

Emergency: call 911

To report an outage or damage to electric equipment call: (800) 216-5226
