Dear Bonnie Overfield,

The purpose of this letter is to formally notify you that the group of WPTA Investment Policy reviewers have approved Grant County PUD's Investment Policy for certification.

As a result of this decision to certify your policy, your agency will be formally recognized and presented with a plaque at the April 2022 WPTA conference in Lake Chelan. Congratulations! We hope that you will plan to attend WPTA annual conference in Chelan in April to receive your certification. We present all certification awards at the business-meeting luncheon. This meeting is currently scheduled to be held the second week in April. Additional details regarding this event will be available in the next few weeks.

If you have questions or concerns, please feel free to contact me at 360-902-9014.

Sincerely,

A handwritten signature in blue ink, appearing to read "Shawn Reed", is written over a light blue circular scribble.
